UAE Electronic Invoice

Mandatory Fields

Version V 1.0

Date: 23 February 2026

Contents

1. Purpose	3
2. Highlights	4
3. Glossary	5
4. List of mandatory fields	7
4.1. Mandatory fields in an electronic Tax Invoice	7
4.2. Mandatory fields required in a commercial Electronic Invoice (XML)	11

1. Purpose

This document provides the list of mandatory fields for an Electronic Invoice and should be read in conjunction with:

- ▶ UAE Electronic Invoicing System Guidelines
- ▶ Ministerial Decision No. 243 of 2025 on the Electronic Invoicing System – [MD No 243 of 2025](#)
- ▶ Ministerial Decision No. 244 of 2025 on the Implementation of the Electronic Invoicing System – [MD No 244 of 2025](#)
- ▶ Peppol United Arab Emirates electronic document specifications - [PINT-AE.](#)

For more details on Electronic Invoicing in the UAE, please refer to the Ministry of Finance's [website](#).

2. Highlights

- ▶ Electronic Invoicing is mandatory for any Person conducting Business in the UAE, regardless of their VAT registration status, unless specifically excluded as per Article 4 of MD No. 243 of 2025.
- ▶ The timeline for implementing Electronic Invoicing is as per the phased implementation plan detailed in MD No. 244 of 2025.
- ▶ Your Participant Identifier for Electronic Invoicing will be based on your Tax Identification Number (“TIN”).
- ▶ Taxpayers that have registered for Corporate Tax will have been assigned a TIN already as part of this registration process. The TIN is the first 10 digits of a Corporate Tax TRN.
- ▶ A Person that is within the scope of Electronic Invoicing but is not required to register for Corporate Tax, must register with FTA to receive their TIN.
- ▶ Please note that even if you are part of a Tax Group, your TIN is the first 10 digits of your Corporate Tax TRN and not the first 10 digits of the Tax Group representative's TRN.

3. Glossary

No	Term	Description
1	Accredited Service Provider ("ASP")	A Service Provider that is granted Accreditation to provide Electronic Invoicing Services in the UAE, in accordance with the Ministerial Decision No. 64 of 2025.
3	Cardinality	The rule that defines the minimum and maximum number of times a data element or attribute may occur within a dataset, record, or transaction structure.
4	Code list	A predefined set of values or codes used to represent specific concepts, categories, or classifications within a data structure.
5	Commercial invoice	An invoice that is not a Tax Invoice.
6	Electronic Invoice	An invoice issued, transmitted, and received, through the Electronic Invoicing System, in a structured electronic format that enables automatic and electronic processing, in accordance with the Electronic Invoicing System.
7	PINT-AE	The Peppol International concept and methodology is used to delineate a family of technical specifications which describe the format of business documents such as Electronic Invoices and Electronic Credit Notes and allows for customization according to national requirements while maintaining interoperability across global regions, as part of the Peppol Interoperability Framework. The State's requirements are defined in the corresponding Data Dictionary.
8	Semantic model	This defines the meaning of data and the relationships between different data elements. It includes entities, attributes, relationships, and constraints, facilitating a meaningful representation of information.
9	Syntax binding	This is an association of specific syntactic structures with their corresponding meanings or functions within a programming language or data format. It ensures that the compiler or interpreter correctly interprets and executes instructions based on the defined syntax.

No	Term	Description
10	Tax Invoice	A written or electronic document in which any Taxable Supply and its details are recorded, including an Electronic Invoice, as the case may be.
11	Tax Identification Number ("TIN")	A unique 10-digit identifier and the first 10 digits of the 15-digit TRN issued to all entities registered with the UAE Federal Tax Authority.
12	Tax Registration Number ("TRN")	A unique number issued by the FTA for each Person registered for Tax purposes.
